Aims and objectives for Noah's Ark Pre-school (Billericay)

Noah's Ark Pre-School aims to provide a safe, caring and stimulating environment to enable children to learn and develop through play based activities.

We aim to provide Equal Opportunities for all children and their families and we believe Parental involvement to be very important.

We believe all children are unique and can develop and learn through enabling environments and positive relationships. We work within the Early Years Foundation Stage Framework and this framework is used to observe, assess and plan for all the children's future development to enable them to prepare for school.
